

THE WELLNESS SANCTUARY

Ocean Float Discovery *New Package*

After a great Vichy shower massage, experience our new Floating Therapy. A session you might need to escape from stress daily life. Inside is a formulated salts imported directly from Germany and added to filtrated pure water, creating a 30 cm shalow water solution, which is heated to your body temperature (34 / 35 degrees). You will float effortlessly on the surface of this dense salt - water mixture. This method of relaxation allows you to boost your creativity and engage in a deep meditative state. In addition, it can enhance your concentration , improve your sleeping patterns and aid your phobias and addictions.

We invite you to TRY IT!

(For only 1,800 THB)
